EDUCATION

Delhi Technological University

Bachelor of Technology in Computer Engineering, Minor in Machine Learning

New Delhi, India

Aug 2020 – May 2024

- GPA: 9.13/10.00 (91.3%)
- Relevant coursework: Artificial Intelligence, Machine Learning, Neural Networks, Deep Learning, Pattern Recognition, Computer Vision, Distributed Systems

Nepal Mega College

High School

Kathmandu, Nepal

2017 – 2019

- GPA: 3.92/4.00

EXPERIENCE

Software Engineer L2

Shipsy

May 2026 – Present

Gurugram, India

- Reduced app crashes by 50% through performance optimization and proactive technical debt resolution.
- Improved platform stability and reliability across core mobile workflows serving enterprise logistics customers.
- Led telemetry instrumentation for critical application flows, accelerating production issue detection and diagnosis.
- Minimized data loss and improved app responsiveness through architecture and resource-management enhancements.

Software Engineer

Shipsy

June 2024 – Apr 2026

Gurugram, India

- Revamped the Shipsy Field Ops app using Jetpack Compose and Kotlin Multiplatform, driving 100% onboarding of new customers.
- Onboarded Aramex, DPD Poland, Heineken, and Teleport through custom mobile solutions, contributing to a \$2M+ ARR deal closure.
- Built and maintained **AppFlowV2**, reducing client-specific development effort by 50%+.
- Developed and maintained enterprise mobile applications as part of the core mobile engineering team.

Undergraduate Research Assistant

Delhi Technological University

Dec 2023 – June 2024

New Delhi, India

- Worked in Machine Learning Research Laboratory under the guidance of **Prof. Anil Singh Parihar**
- Built low-light action recognition dataset containing 6,000+ video clips of human actions
- Carried out data collection, data processing, standardization and analysis

Undergraduate Scholar

Indian Council for Cultural Relations

Aug 2020 – Jul 2024

New Delhi, India

- Fostered teaching and learning among international students at Delhi Technological University (DTU), helping them integrate into the academic environment.
- Bridged the gap between school and college-level education for international students by teaching key foundational subjects.
- Collaborated with the Indian Council for Cultural Relations to organize and manage various cultural and educational events, enhancing cross-cultural exchange.

TECHNICAL SKILLS

Languages: Java, Kotlin, Python, C/C++, SQL

Frameworks: Jetpack Compose, Kotlin MultiPlatform, Compose Multiplatform, PyTorch

Developer Tools: Git, VS Code, Android Studio, XCode, DevRev, Crashlytics, OpenSearch, Cursor, Claude

PROJECTS

- RealEstate** | *Jetpack Compose, Kotlin, Express, React, MongoDB* June 2024 – Present
- A full stack web and android app that lets users buy and sell real estate over marketplace
 - Contains functionalities such as jwt authentication, Google OAuth, Firebase
 - Contains CRUD operations, editing user profile, property listing management, image uploads, etc
- AutoSketch** | *Python, TensorFlow, Image Processing,* June 2022 – Present
- An U-NET autoencoder model that converts an original image into its sketch
 - Application of image augmentation to increase training samples

PUBLICATIONS

- Performance analysis of action recognition models under low-light condition** 2025
- International Conference on Intelligent Computing and Communication Techniques*
- Co-authors: Prof. Anil Singh Parihar, Sahal Shrestha
 - Investigated the limitations of action recognition models in low-light environments. Created a custom dataset and tested models using the MMAAction2 toolkit. Findings emphasize the need for low-light inclusive datasets and models capable of handling diverse lighting conditions.

ACHIEVEMENTS & AWARDS

- Star Performer** Mar 2025 – Jun 2025
- Shipsy Gurugram, India*
- Recognized for exceptional performance during Q4 of 2025, achieving significant milestones under tight timelines.
 - Onboarded Shipsy's largest customer, Aramex, by delivering the end-to-end Driver's Self Task Onboarding feature within a week.
 - Supported the on-ground pilot by making real-time changes based on feedback, ensuring seamless adoption.
 - Assisted with the development of the clustering feature and contributed to the DPD Poland on-ground pilot simultaneously, ensuring successful deployment.
- Star Team Performer** Mar 2025 – Jun 2025
- Shipsy Gurugram, India*
- Recognized for consistently meeting 90%+ objectives in each sprint, working under tight deadlines, and proactively resolving technical debts.
 - Successfully collaborated with cross-functional teams, including Product Management and Backend, to ensure timely feature delivery and project success.
- Atal Bihari Vajpayee General Scholarship Scheme (ABVGSS)** Aug 2020 – May 2024
- Indian Council for Cultural Relations New Delhi, India*
- Fully funded undergraduate after selection and recommendation from the Embassy of India, Kathmandu
 - Funding includes entire tuition fee, living allowance (INR 6,500/month), book allowance (INR 5,000/year) and stipend (INR 18,000/month) for 4 years
- Merit Scholarship for Academic Excellence** 2022
- Delhi Technological University New Delhi, India*
- Awarded a merit scholarship of INR 5,000 for achieving the highest CGPA in the 1st year (A2 section) at DTU
- National Topper – Grade 12** 2019
- National Examinations Board Kathmandu, Nepal*
- Achieved the highest GPA of 3.92/4.00 in the 12th-grade board exams in Nepal
 - Awarded for academic excellence in recognition of top performance across the country
- Academic Excellence Award** 2016 – 2019
- National Examinations Board Kathmandu, Nepal*
- Received full tuition fee reimbursement from 9th to 12th grade in recognition of outstanding academic performance
 - Awarded annually for consistent excellence in academics over four years

EXTRACURRICULAR ACTIVITIES & VOLUNTEERING

- Learning Spanish:** Self-initiated language learning through online courses
- Math and Science Tutor:** Tutored high school students, improving grades by 15%
- Desh Ke Mentor:** Semester-long mentorship program, mentoring grade 10-12 students on careers, opinions, and everyday choices
